

## WINMAGplus license connection server

---

### Part-No. 013606

License option for WINMAG/WINMAGplus basic software. Connection Server is a software module that enables the connection of a 3rd party device to WINMAG. Connection Server offers a convenient interface with which data and control commands can be exchanged bi-directionally in detection point format using WINMAG.

This license may be ordered separately (as a subsequent optional update) only in conjunction with the auxiliary Part No. 013609. The update number of the basic license must be included when ordering. Please use order form on [www.esser-systems.com](http://www.esser-systems.com).
