FD Analog Fixed Dome Series Accessories
PENDANT, IN-CEILING, AND WALL MOUNTS; ADAPTER PLATE; SMOKED DOMES

Product Features

- Mounting Options Designed for FD Series Camera Systems
- Indoor and Outdoor Installations Supported
- Easy to Install
- Pendant Options for All FD Series Models
- Durable Aluminum Mount Construction
- Compatible with Many Pelco Mounts
- Smoked Dome Option for FD2 and FD5 Models
- Mounts Prepackaged for On-Site Mount Selection for FD2 Series Cameras

**FD-WM WALL MOUNT
SHOWN WITH FD2 CAMERA
AND SMOKED DOME**

**FD5-P PENDANT MOUNT
SHOWN WITH FD5 CAMERA
AND SMOKED DOME**

**FD-FK FLUSH KIT
SHOWN WITH FD2 CAMERA
AND SMOKED DOME**

FD Series accessories offer versatile installation and mounting options and are specifically designed for the Pelco FD Series cameras. Economical **FD Series** mounts are designed to ensure ease of installation and cohesion in the look of the FD product line. All of the mounts are color-matched, made from durable aluminum for strength and weather protection, and designed with the installer in mind. A smoked dome option is also available for FD2 and FD5 models.

Indoor mounts for the **FD2 Series** camera are available in pendant, in-ceiling, or wall models. The **FD2-P** pendant mount is compatible with 0.75-inch and 25 mm conduit fittings, making it universally adaptable. Ceiling installations are simplified by the **FD-FK** flush kit, which includes a mounting bracket and protective trim ring. The **FD-WM** wall mount attaches easily to a solid surface or junction box.

Designed for use with the **FD5 Series** camera, the **FD5-P** outdoor pendant mount is equipped with a 1.5-inch NPT thread for easy installation. This pendant model can be paired with the Pelco SWM-SR or WMVE-SR for wall mount installations.

In addition, the **FD-FK** flush kit, **FD-WM** wall mount, and the **FD-AP** 4S electrical box adapter plate are compatible with both **FD2** and **FD5 Series** indoor and outdoor installations.

An all-in-one package that includes the **FD-FK** flush kit, **FD2-P** pendant mount, and **FD-WM** wall mount is available to support a wide variety of FD2 installations. These three mounts are prepackaged for easy mount selection and deployment on site.

FD5-LD-0	0.11 kg (0.24 lb)	0.45 kg (1 lb)

MECHANICAL

Suggested Installation Method

FD-FK	Attach an FD2 or FD5 Series camera to the in-ceiling flush mount; install trim ring.
FD2-P	Attach an FD2 camera to a mount using 0.75-inch NPT or 25 mm conduit fitting.
FD5-P	Attach the FD5-P to a mount with 1.5-inch NPT pipe.
FD-AP	Attach the adapter plate to a 4S electrical box; for FD2 and FD5 Series cameras.
FD-WM	Attach the mount to a solid surface or single gang electrical box; for FD2 and FD5 Series cameras.
FD2-LD-0	Remove the original clear dome cover using a flat-end tool and attach the replacement smoked dome cover.
FD5-LD-0	Remove the dome cover and detach the original clear bubble. Replace the bubble in the dome cover with the replacement smoked dome.

OPTIONAL MOUNTS

(For use with FD5-P pendant mounts)

IWM-SR	Wall mount; light gray finish. Can be adapted for corner, parapet, or pole applications.
IWM24-SR	Wall mount; light gray finish; with integrated 24 VAC 100 VA transformer. Can be adapted for corner, parapet, or pole applications.
SWM-SR	Compact wall mount; light gray finish. Can be used for wall-mount installations; or adapted for corner or pole applications.
WMVE-SR	Environmental wall mount; light gray finish. Can be installed directly to a wall or any vertical surface. Power and video wiring can be routed through the back of the mount or through the conduit access located on the bottom of the mount arm. Can also be pole-mounted using a PA101 pole mount adapter.

OPTIONAL PACKAGES

FD2-MTKIT	All-in-one package includes the FD-FK flush kit, FD2-P pendant mount, and FD-WM wall mount to support on-site mount selection for a wide variety of FD2 camera installations.
