

Option ? client

Part-No. 013625

License option for WINMAG/WINMAGplus basic license. Enables operation of one client station in a computer network with one server workstation. The license must be installed at the server workstation. Clients require only the WINMAG software to be installed. One WINMAG client license is needed per client.

This license may be ordered separately (as a subsequent optional update) only in conjunction with the auxiliary Part No. 013609. The update number of the basic license must be included when ordering. Please use order form on www.esser-systems.com.
