INDOOR/OUTDOOR MOUNTS AND ACCESSORIES

Honeywell's Performance Series HQA mounts and accessories provide a wide range of installation options for Honeywell's line of HD-over-coax mini dome, ball, and bullet cameras, including wall, ceiling, and pole mounting options.

The mounts provide easy cable routing with no exposed wiring, and the cameras can be installed, adjusted, and tested without repositioning the housing. All of the mounts and accessories are suitable for indoor or outdoor use.

The wall mount, junction boxes, and pole mount are constructed of die-cast aluminum. The corner mount adapter is made of SECC steel. All of the mounts and accessories are powder coated to match the finish of the camera.

Market Opportunities

Honeywell's Performance Series HQA mounts and accessories provide excellent value at an attractive price, featuring simple, clean lines, rugged construction, and a wide range of mounting options.
