2010-2-DACT

Addressable Fire Panel Accessory - Digital Alarm Communicator Transmitter

Overview

The 2010-2-DACT, Digital Alarm Communicator Transmitter (DACT) is an accessory of the small to medium size intelligent addressable life safety control systems.

Functionality

The DACT provides communications between a compatible control panel and a central monitoring station (CMS) over the public switched telephone network (PSTN). The DACT uses the Contact ID (CID) protocol and is capable of single, dual, or split reporting of events to up to six configurable central monitoring stations. An optional GPRS board (the ATS7310) can be installed onto the DACT to provide mobile network communications.

Mounting & Connections

The board can be plugged directly on the front of the main board inside the small and big size control panel variants on top of the new release 3 chassis. No additional wiring is required. You can use the pluggable connectors to make your connections to the PSTN lines.

Details

- Communication over PSTN
- Optional GPRS communication
- Single, dual, or split reporting
- Up to 6 Control Monitoring Stations
- EN54-21 certified (both PSTN & GPRS)
- Pluggable connectors

2010-2-DACT

Addressable Fire Panel Accessory - Digital Alarm Communicator Transmitter

Technical specifications

Electrical	
Power supply type	VDC
Operating voltage	24 VDC
Physical	
Physical dimensions	105 x 52 mm (W x H)
Net weight	40 g
Shipping weight	130 g
Mounting type	In cabinet
Environmental	
	-5 to +40°C
Operating temperature Storage temperature	-20 to +50°C
Relative humidity	10 to 95% noncondensing
Standards & regula	
Certification	EN54-2, EN54-13, EN54-21
Standards	EN54-2 EN54-13
	EN54-13 EN54-21
Environmental	CPD
	WEEE
	RoHS
Operating voltage	
	241/06
	24 VDC
	24 VDC
Cable type	
Cable type	Two-wire telephone cable with RJ-11 jack (or regional equivalent)
	Two-wire telephone cable with RJ-11 jack (or regional equivalent)
	Two-wire telephone cable with RJ-11 jack (or regional equivalent)
Communication pro	Two-wire telephone cable with RJ-11 jack (or regional equivalent) otocol Contact ID
Communication pro	Two-wire telephone cable with RJ-11 jack (or regional equivalent) otocol Contact ID on
Communication pro	Two-wire telephone cable with RJ-11 jack (or regional equivalent) otocol Contact ID on 45 mA at 24 VDC
