

Option - notification

Part-No. 013613

License option for WINMAG/WINMAGplus basic license. Required if SMS (text message), fax or e-mail are to be sent from WINMAG.

 This license may be ordered separately (as a subsequent optional update) only in conjunction with the auxiliary Part No. 013609. The update number of the basic license must be included when ordering. An ISDN connection (S0) as well as an ISDN card are required for the notification function. Please use order form on www.esser-systems.com.
